HOPE SPRINGS ETERNAL. Students are returning to the classroom. We remain cautiously optimistic as we progress through the challenges of the pandemic. The EFCRP continues to work tirelessly to support our teachers and students.

We hope our signature event, Sharing of the Green, will be held in March, 2022. More information will follow. ALL of our sponsors continue to be recognized on our website, social media and outgoing printed materials.

Your help is needed now more than ever. COVID-19 has impacted 11 schools and over 5600 students in the CRPUSD in profound ways. This remains a fluid situation with unprecedented challenges, including the need for additional financial resources. The EFCRP is working closely in a strategic alliance with the CRPUSD to assist them in meeting their goals. The social and economic impact on some of our students is dramatic. Together we can make a difference in providing educational excellence for our teachers and students.

After conferring with CRPUSD's Superintendent and school principals, EFCRP provided finance to assist the schools with distance learning. The list of items EFCRP supports was presented to the CRPUSD Board of Trustees. These items include:

Software, scholarships for daycare, mystery science kits, school supplies, reading books/novels, home office items (staplers, paper, folders, scissors, glue sticks), subscriptions to online programs, headphones w/microphones

In addition to the school's annual needs supported by the EFCRP, they will need materials to support students upon return to the classroom, such as lanyards and mesh bags to hang and store their masks.

All donors receive a receipt for tax purposes and community recognition as a business that cares about the quality education of our children. EFCRP is one of the oldest non-profits in Rohnert Park. Since 1983, we have contributed well over 1.7 million dollars to our schools through grants to classroom teachers. We are recognized as the fundraising organization most supporting public education in Cotati and Rohnert Park.

Enclosed you will find the various levels of sponsorship. Your sponsorship is a true reward in the investment toward the children's future in our community.

Every child deserves the best educational opportunities possible. This is your opportunity to help make that a reality. Sonoma County has suffered greatly with the millions in budget cuts over the last several years. Our children need your help now, more than ever. We appreciate your consideration for a worthy cause.
