RE: Moulin Rouge, Sharing of the Green 2020  
Gala with Online Auction 9/12/2020 through 9/20/2020

Given the continued declaration of emergency declared by the governor, local authorities and public health officials, combined with an evolving situation surrounding the coronavirus (COVID-19), the EFCRP fundraising continues to evolve. The Sharing of the Green scheduled for 9/19/20 has been recreated to an online auction.

Most of you are aware that the EFCRP Board is comprised of unpaid tireless volunteers. We are committed to education excellence. Every dollar raised goes back to the teachers and students of Cotati and Rohnert Park. Your help is needed now more than ever. The coronavirus has impacted the 11 schools and approximately 5,600 students in Cotati and Rohnert Park in profound ways. This remains a fluid situation with unprecedented challenges, to include the need for additional financial resources. The EFCRP is working closely in a strategic alliance with the Cotati-Rohnert Park Unified School District to assist them in meeting their goals. The social and economic impact on some of our students is dramatic. Together we can make a difference in providing education excellence for our teachers and students.

In an effort to generate funds, we are encouraging all who are able to support our Moulin Rouge Sharing of the Green No-Show Gala. This online gala is scheduled from 9/12/2020 through 9/20/2020. We have some wonderful auction items, as well as an opportunity for any individuals or businesses to make any kind of monetary donation it can. The invitation is attached. We look forward to your responsive and active participation.

We graciously thank each and every one of you for all you do for our community and students, and appreciate your continued support as we persevere through these difficult, unprecedented times. I trust that you share our firm belief that the assets of our future are preserved in our children.

Sincerely,

Daniel Blanquie
